Martin, I emailed a copy to Doug last night, although they apparently received their own copy directly from Etter.

Martha's email is: martha.rudolph@state.co.us

Bill/Steve – Would you please make sure the state gets this? And ask if they have any thoughts about whether this changes our message?

Do either of you have Martha's email address?

Martin:

I am looking forward to our meeting. Please see the attached Letter of today's date. We believe that the "Game Plan" schedule proposed in the Letter presents the opportunity to profoundly improve water quality and habitats in the Animas, and hope that the proposed schedule serves as a platform for discussion about the path forward.

Thanks and regards.

Greg
